LETTER REGARDING SUBMISSION OF ENGLISH TRANSLATION

Per the requirements of 37 CFR 1.52(d), filed herewith is a translation of the originally filed German language application into English, and accompanying Preliminary Amendment to the claims. The English translation was provided to the undersigned

attorney by the Applicant's German attorney, Bernard Jungblut, who prepared and filed the German priority application, and is accurate to the best of the undersigned attorney's knowledge and belief. The Preliminary Amendment includes no new matter, and is filed only to make the claims conform to U.S. practice.

As the application was previously filed in German, a clean copy of the English translation is enclosed, as well as a Preliminary Amendment indicating the changes made to the English translation. It is respectfully requested that the amended English translation be used as the copy for examination purposes in the Patent Office.

FEES

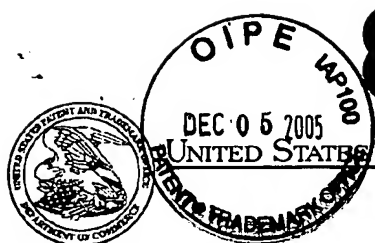

As the \$130 processing fee for late furnishing of the English translation was paid on January 4, 2005, it is not believed that any additional fees are due. Any fees that are due, however, may be charged to the undersigned attorney's PTO Deposit Account No. 50-1047.

Respectfully submitted:
